Farmer Family Dentistry Financial Policy

Thank you for choosing our office for your dental needs! We realize that every person's financial situation is different. For this reason, we have worked hard to provide a variety of payment options to help you receive the dental care you need and deserve that allows you to enjoy a healthy, beautiful smile with respect to your budget. Dental treatment is an excellent investment in an individual's medical and psychological care. We are always available to answer your questions or assist you in any way we can.

To maintain the practice operations and prevent potential misunderstandings, we ask patients to accept and adhere to the following financial arrangements regarding their dental treatment.

Payments are expected at the time services are rendered. We accept cash, checks (under $500.00), debit cards, and all major credit cards.

For our patients with insurance benefits, Farmer Family Dentistry will be more than happy to prepare and submit dental insurance claims, and/or assist in making insurance collections on the patient's behalf. Please note that your dental benefits are based upon a contract made between you (or your employer) and an insurance company. We will be more than happy to help answer any questions you have regarding your insurance, but often times it may be necessary for you to contact your employer or insurance company to verify your coverage with our office. **It is understood that the dental insurance is a benefit to the patient and not to the dental office. The patient (or responsible party) is responsible for all charges in the event the insurance company fails to pay for any reason.** We are more than happy to file predeterminations for necessary dental treatments, but it is understood that these are estimates only.

Broken Appointments: A specific amount of time is reserved especially for you and we strongly encourage all patients to keep their appointments. If you must change your appointment, we require at least 48 hours notice to avoid a $50/hour cancellation fee (emergencies are an exception). Excessive tardiness to appointments may also be subjected to a $50 cancellation fee if not enough time is remaining to complete the scheduled procedures.
